SUMMARY

Aspiring Front-End Developer with a background in animation and digital design, passionate about blending creativity with code to craft visually engaging and user-friendly web experiences. Skilled in HTML, CSS, and JavaScript, with a keen eye for design and user interaction. I aim to bring innovative, accessible, and dynamic solutions to front-end development by combining technical ability with artistic insight.

SKILLS

- Web Development: HTML, CSS, JavaScript, Responsive Design
- Design & Animation: Adobe Photoshop, Adobe Illustrator, CSS Animation, Procreate Dreams
- Tools & Workflow: GitHub, VS Code, DOM Manipulation
- Version Control & Tools: GitHub, VS Code
- Soft Skills: Communication, Teamwork, Problem-Solving

EXPERIENCE

Sainsbury's Local - London SW, Greater London   **Dec 2024 - Present**
Customer Trading Manager

- Lead and manage a team to ensure smooth store operations and excellent customer service.
- Oversee stock management, deliveries, and ensure visual merchandising standards are met.
- Handle customer queries and escalations, improving problem-solving and leadership skills.
- Train and mentor new employees, enhancing teamwork and communication abilities.

Sainsbury's Local - London SW, Greater London

Sales Assistant   **Aug 2021 - Dec 2024**

- Provided excellent customer service, handling inquiries and resolving issues effectively.
- Operated tills and processed transactions, ensuring accuracy in sales handling.
- Collaborated with colleagues to support a smooth shopping experience.

Topshop

Sales Assistant   **July 2020 - June 2021**

- Ensured a visually appealing store environment, enhancing design and presentation skills.
- Handled refunds, online orders, and assisted customers with fashion choices.
- Worked independently in a Topshop concession, demonstrating responsibility and initiative.

EDUCATION & CERTIFICATIONS

PROJECTS

- **Building a Calorie Counter -** Developed a JavaScript-based calorie tracking app to log and manage daily intake.
- **Role-Playing Game -** Created a simple RPG using JavaScript, incorporating user interactions.
- **Waving Penguin Animation -** Designed and animated a CSS-based penguin character with smooth waving motion.
- **Sound of the Ocean -** A 30-second animation created as part of my final university project. Designed characters and storyboarded the animation using Procreate Dreams, bringing a visually immersive narrative to life.
- **Portfolio Website -** Built a personal portfolio using HTML, CSS, and JavaScript.
